## Statistics

- 1) **Housing Statistics for Scotland 2018: Key Trends Summary** - Edinburgh: Scottish Government, 2018 - 31p. : pdf - Online publication - This publication presents annual statistics up to 31st March 2017 on total new housing supply in Scotland across all sectors, along with information on various elements of local authority housing such as stock, lettings, house sales, evictions, housing lists, and housing for older people and people with disabilities. - <https://www.gov.scot/Publications/2018/09/6943> - Subject: Statistics - ISBN: 978-1-78781-230-7 (web only)
- 2) **Housing Statistics for Scotland Quarterly Update (published 25 September 2018)** - Edinburgh: Scottish Government, 2018 - 25p. : pdf - Online publication - This quarterly statistical publication provides information on recent trends in new build housing starts and completions by sector, the Affordable Housing Supply Programme and local authority house sales including Right to Buy. - <https://www.gov.scot/Publications/2018/09/6448> - Subject: Statistics - ISBN: 978-1-78781-231-4 (web only)

- 3) **Public Sector Employment in Scotland Statistics for 2nd Quarter 2018** - Edinburgh: Scottish Government, 2018 - 34p. : pdf - Online Publication - The statistics in this release are based on administrative records and surveys of individual public sector bodies carried out by the Scottish Government and the Office for National Statistics (ONS). This is a snapshot of employment as at June 2018. The publication includes information on public sector employment in Scotland with distinctions made for employment in devolved bodies and reserved bodies (located in Scotland). The public sector is defined based on UK National Accounts definitions. - <https://www.gov.scot/Publications/2018/09/5685> - Subject: Statistics - ISBN: 978-1-78781-161-4 (web only)
- 4) **Council Tax Reduction in Scotland, April to June 2018** - Edinburgh: Scottish Government, 2018 - 5p. : pdf - Online Publication - This publication provides statistics on the Council Tax Reduction (CTR) scheme, which reduces the Council Tax liability of low income households in Scotland. A CTR 'recipient' can be a single person or a couple, with or without children, since Council Tax is charged on a per-dwelling basis, rather than to individuals. - <https://www.gov.scot/Publications/2018/09/1786> - Subject: Statistics - ISBN: 978-1-78781-135-5 (web only)
- 5) **Reconviction Rates in Scotland: 2015-16 Offender Cohort** - Edinburgh: Scottish Government, 2018 - 79p. : pdf - Online Publication - This bulletin forms part of the Scottish Government series of statistical bulletins on the criminal justice system. Statistics are presented on the number of individuals who were released from a custodial sentence or given a non-custodial sentence in 2015-16 and then subsequently reconvicted within a year, along with selected trends. - <https://www.gov.scot/Publications/2018/09/6289> - Subject: Statistics - ISBN: 978-1-78781-160-7 (web only)
- 6) **Scotland's People Annual Report 2017** - Edinburgh: Scottish Government, 2018 - 261p. : pdf - Online Publication - The Scottish Household Survey is a continuous survey based on a sample of the general population in private residences in Scotland. This report presents reliable and up-to-date information on the composition, characteristics and behaviour of Scottish households, both nationally and at a sub-national level. - <https://www.gov.scot/Publications/2018/09/1313> - Subject: Statistics - ISBN: 978-1-78781-162-1 (web only)
- 7) **Scottish Household Survey** - Edinburgh: Scottish Government, 2018 - 4p. : pdf - Online Publication - This short data comic focuses on the results around housing, personal finances and differences between rural and urban Scotland from the Scottish Household Survey Annual Report 2017. - <https://www.gov.scot/Publications/2018/09/8926> - Subject: Statistics - ISBN: 978-1-78781-195-9
- 8) **Scotland's People Annual Report Key findings 2017** - Edinburgh: Scottish Government, 2018 - 30p. : pdf - Online Publication - This is a summary of the Scottish Household Survey. The survey provides robust evidence on the composition, characteristics, attitudes and behaviour of private households and individuals as well as evidence on the physical condition of Scotland's homes. The current scale of the SHS enables all users to obtain a robust deeper understanding of issues and performance, by being able to analyse across key demographic household characteristics such as deprivation, age, income, gender, rurality, ethnicity and other equalities. This is crucial to informing the Fairer Scotland agenda. - <https://www.gov.scot/Publications/2018/09/5167> - Subject: Statistics - ISBN: 978-1-78781-150-8
- 9) **Scotland's People Climate change 2017** - Edinburgh: Scottish Government, 2018 - 18p. : pdf - Online Publication - This is a summary of the Climate Change results from the Scottish Household Survey Annual Report 2017. Action to tackle climate change is a high priority for the Scottish Government, which recognises that without public understanding, engagement and action, it will not be able to meet its climate change targets. - <https://www.gov.scot/Publications/2018/09/5117> - Subject: Statistics - ISBN: 978-1-78781-151-5

## Transport

- 1) **Transport and Travel in Scotland 2017** - Edinburgh: Transport Scotland, 2018 - 64p. : pdf - Online publication - This bulletin provides the results of the Transport and Travel related questions asked in the Scottish Household Survey (including the travel diary) and uses data from a range of sources to provide context. The survey and travel diary had round 9,800 respondents in 2017. - <https://www.transport.gov.scot/publication/transport-and-travel-in-scotland-2017/> - Subject: Transport - ISBN: 978-1-911582-51-9 (web only)
- 2) **Equality Impact Assessment - Results Transport (Scotland) Bill** - Edinburgh: Transport Scotland, 2018 - 9p. : pdf - Online publication - The provisions within the wide-ranging Bill aim to ensure Scotland's transport network operates with greater efficiency, better accessibility and with improved air quality in its towns and cities. The legislative measures will help to empower Scotland's local authorities and establish consistent standards to make transport easier, cleaner and smarter than ever before, therefore supporting the Scottish Government's aspirations to deliver a safe, efficient, cost-effective and sustainable transport system for the benefit of the people of Scotland. - <https://www.transport.gov.scot/publication/eqia-results-august-2018-transport-bill/> - Subject: Transport - ISBN: 978-1-911582-50-2
